Brought to you by the Bar Hill Residents' Association

The Bar Hill News wants a new

Editor

Following the retirement of the current editor, a replacement is required during the next two months. The position (unpaid) will require placing news items into an established format mostly received through a designated email address by the fifteenth of each month. A computer and printer are provided.

The new editor will be a member of an editorial team and will consult the chairman or vice-chairman regarding items of a defamatory or dubious nature. He or she will also work closely with the advertising coordinator so that news copy will comprise at least half of the publication's content.

The Bar Hill News has been published each month since December 1967; number 600 came out early this year. Further information can be received from the current editor, Jan Cundy (jan_cundy@yahoo.com) or the chairman, Roger Hall (**01954 780304** or roger.hall90@ntlworld.com).

BAR HILL NEWS:

Editor:	Jan Cundy	jan_cundy@yahoo.com
Advertising Coordinator:	Ann Bensted	ab10034@cam.ac.uk

The objectives of the association are to act as an intermediary between residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interests of Bar Hill. Opinions expressed in this publication are not necessarily those of the Association. Anonymous letters will not be published, but names and addresses may be withheld. This is a private publication and may not be reproduced in any way without the prior permission of the Bar Hill Residents' Association Committee.

ADVERTISING

All matters relating to advertising should be addressed to the Advertising Coordinator at: ab10034@cam.ac.uk. Quarter-page adverts cost £16.50 per month and must be submitted by the 1st of the month prior to inclusion. These ads are for local businesses and we guarantee publication, but this often results in a waiting list.

To help overcome this, we publish Maxi and Mini ads which appear throughout the publication. We cannot guarantee their inclusion, though, due to restrictions of space. Maxi ads (6cmx4½cm – 9cmx6cm) are £8.50 per month; Mini ads (6cmx2cm – 6cmx4cm) are £5 per month, and should be submitted by 15th of the month prior to their inclusion.

EDITORIAL

There is no charge for Articles, What's On, For Sale or Lost and Found. These appear at the Editor's discretion. Please submit items by 15th of the month. [Items offered For Sale will be advertised in two consecutive editions, so please let the Editor know if the item(s) sell after the first time.] All items can be submitted electronically on disk or to bhneditor@yahoo.com *[a Word file is best, please]* or hard copy via Parish Council Office.

Dear Editor
I disagree with the 'Disappointed Resident' (April edition) who thinks there is too much advertising in the BHN.
Advertising serves at least 3 useful purposes:
1. it brings in much needed revenue for the publication;
2. it provides BH residents – particularly new ones – with a local source of information as to where they can access many services such as building and garden services, electrical and plumbing services, car care, and hair and beauty care;
3. it helps to support small, local businesses.

I would encourage even more advertising!
Liz Jeffery, Thruffle Way

Dear Editor
I would like to clarify a few points about the BHN for the "disappointed resident".
Unlike most village magazines, the BHN receives no funding from the Parish Council and relies entirely on revenue from advertisements. This also covers funding for the fete and local good causes.
The editor can only include articles, stories etc. if they have been submitted. Each page of the magazine costs money.
The BHN is delivered free to each house in the village.
The magazine is produced, collated and delivered entirely by volunteers.
I'm sure the team is looking forward to receiving an article or two from the resident, to fill some empty space.
Karen Hayden, Almond Grove

Note from the Editor...
Unfortunately, I think I deleted another letter for this month's publication in error. It came to my personal address and got mixed up with the 30 or so unwanted e-mails I receive each day, and I had pressed "delete" before noticing.
I sincerely apologise. If you would like to resubmit, I'll put it in next month.

Christian Aid Week 2019
From **12–18 May** volunteers will be delivering Christian Aid Week envelopes throughout the village.
This collection is officially and legally recognised and controlled. Unlike some charity collectors, those who call gain no financial benefit. Last year nearly £3,000 was raised here. Please help us to reach an even better total in 2019.
The collection is carried out by Christians on behalf of people of any faith or none. Christian Aid's projects extend to disadvantaged people in all continents, and are remarkably successful. Rates of literacy, medical care and transport in the third world are far higher than they were twenty years ago. Money spent overseas to help others goes a very long way to improve the lives of people less fortunate than we are.
To join in the collection, put your contribution in your envelope ready for collection. If you are a tax payer, fill in the Gift Aid declaration to make what you give worth 25% more. Do please receive your collector politely; they represent those in need and undertake a demanding task because of their concern for others. Residents who display notices banning all cold callers will not be visited.

— HEIDI ALLEN, MP —

Since my last newsletter, the twists and turns in the Brexit debate have continued apace. The Prime Minister's withdrawal agreement was rejected by Parliament for a second time, Article 50 has been extended (briefly) and MPs have finally been allowed to express their own views on a range of possible outcomes, having originally been denied that opportunity. By the time you read this, the situation will have inevitably changed again! Although limited space prevents me from providing a more detailed explanation here, I have been providing rolling updates on my website so that constituents are up to date at all times – especially about the votes I am casting on their behalf. If you have not already taken a look, please do take a minute to have a look at the updates – www.heidiallen.co.uk
By way of headlines, I will never support "no deal," I don't believe the Prime Minister's negotiated deal is good enough and I will continue to support my constituents having the final say on any deal, versus remaining in the EU. I know the votes I cast will not always meet with universal approval, but I give you my assurance that I will exercise my duties with the utmost seriousness and always act in the best interests of my constituents and country throughout these turbulent times.
Away from Brexit, there's still the day job to do as I continue to focus on issues affecting South Cambridgeshire. I know that many communities are concerned about hare coursing and its devastating impact. On 5th March, I met with the Prime Minister's Special Advisor on Environment, Lord Randall, to make the case for new and improved legislation to deal with this scourge. Along with the Police and Crime Commissioner and Superintendent James Sutherland, I outlined my concerns that hare coursing was not only increasing but that the measures for dealing with it had ceased to be effective.
If there is anything you would like to talk to me about, my upcoming surgeries are:
"By appointment" Thursday 2nd May, 3-5pm at my office in Hardwick. For an appointment, please call my office.
"Drop in" Saturday 8th June, 10.30-12.30pm at Woodview Farm Café, Mill Hill, Potton Road, Gamlingay SG19 3LW. No appointment necessary.
In the meantime, if you would like to contact me, please email heidi.allen.mp@parliament.uk or call my office on 01223 830037.

Young People Facilities – the play area surfaces have been cleaned and we have been very pleased with the up-take by youngsters during the school holidays of the tennis and all-weather surface courts. We plan to make these facilities available again during school holidays this year. For further details please contact the office 01954 780456, Monday to Wednesdays

'Meet the Councillor' sessions for residents [see panel on front page].

Single Use Plastics – the Council welcomes suggestions from residents and local organisations as to ways of supporting the goal of reducing the use of single use plastics. What additional action might the Parish Council take, in addition to information and updates on initiatives already being implemented by businesses or homes, which can be shared with others.

Dam Brook/Hollytrees Stream – works began at the Hollytrees end earlier in April and is expected to take several weeks to complete. The coir rolls are now being introduced, ready planted up to provide a suitable environment for the water voles and to improve flow through the village. We thank residents living near the stream for their patience and support whilst this important work is undertaken.

The **Grass cutting** season commenced in March and our green spaces are beginning to look tidy and well-kept for everyone to enjoy.

The **Ranger service** continues with the work of widening and clearing vegetation around the paths and has just finished at The Brambles. They will continue to work their way around the village

People are still dumping their garden rubbish on our green spaces or behind walls. Sadly this distracts funds from making improvements around the village to having to clear up behind these inconsiderate people.

HAPPY ANNIVERSARY BLACK HORSE

In May we are delighted to be celebrating our first anniversary as owners of the Black Horse. What a busy and exciting year it has been! I am sure that we will no doubt be marking the 19th May with a piece of cake or two!

We are so pleased that so many people (and their dogs) from Bar Hill have made it over to see us, many of them making it their regular local.

Although we are normally closed Mondays and Tuesdays, we will be open for business on both the Bank Holiday Mondays this month, the opening times being between 12–5pm. On the second bank holiday day, 27th May we will be hosting live music in the garden (weather permitting) welcoming back locally acclaimed bank Red Velvet between 3– 5pm, so please do come along – no charge.

Finally, we thought that you might like to know that we were recently voted the Best New and Improved Pub of the Year in the Cambridge area by CAMRA (The Campaign for Real Ale). As you may imagine, we were thrilled and honoured to have received the award.

You can find all the latest information about the Black Horse including events, opening times and menus by visiting our website: www.blackhorsedrydrayton.com.

We look forward to seeing you!

— BAR HILL TENNIS CLUB —

Our new season is well underway. We look forward to welcoming new members to help ensure the continuing success of the Club.

This year our Courts have been professionally cleaned and re lined making for an even better playing surface – come and enjoy them with us!

We offer very competitive annual membership fees (for details please visit our web site), pop down to the courts during Club nights or call our Secretary). There is also the opportunity to "pay and play".

Annual membership runs from 1 April and all existing members are reminded that you need to renew your membership to obtain a key to access the Courts, as the lock is changed annually for security purposes. Annual membership entitles you to play anytime outside of normal Club nights.

We welcome players of all abilities. Tennis is an excellent way to keep fit and enjoy summer evenings in a relaxed and friendly environment. Our Adult Club nights are Tuesdays & Thursdays 7 to 9pm.

— FRIENDS OF THE ROSIE —

The Friends of the Rosie Hospital have lots of stalls raising money to help make the Rosie a more comfortable environment for mothers and babies. For up-to-the minute information follow Rosie in Stitches Facebook page

The New Chief Nurse at Addenbrooke's is supporting the Rosie staff and the NHS Improvement team have recently reviewed the midwifery service. The Rosie are working on new initiatives, Quality Improvement in Better Births - addressing continuity of carer by 2025 hoping to reduce the rates of still births. This is being piloted with the elective caesarians providing these others with the same midwife for antenatal appointments, in the theatre during their operation, postnatally and with a follow up telephone call. The other initiative is Saving Babies Lives with a care bundle being given to parents. The traffic light hat scheme has been in use since 4th February 2019 and Amanda confirmed that the hats are single use and stay with the babies.

Alberto, a midwife on the delivery unit, thanked The Friends for the trolleys which hold all the instruments and equipment that the midwife needs. He also thanked The Friends for the new wooden cots, it is much better now that all the cots are the same.

Upcoming Stall dates this spring

Tea Bar, Rosie Hospital Outpatient Clinic – Monday to Friday 9am to 4pm

We always need help in the Tea Bar in Clinic 21 for a few hours a week or on an occasional basis. At present we do not have a regular volunteer for either Monday afternoon or Thursday morning. We also require occasional volunteers to help when a regular volunteer is unable to help due to holidays/illness etc.

Please email annlaskey@icloud.com if you would like to volunteer.

New members are always welcome, whether to contribute financially, to join our team of knitters, provide transport for our volunteers, display a small selection of our wares or to help on the Rosie tea bar. Contact Mary Sanders on **01223 356615** further details are given on our website www.rosieinstitches.org.uk.

Thank you for your continued support.

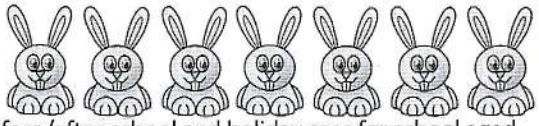
— BAR HILL CHILDMINDERS —

Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children day trips, outdoor experiences and taking part in local groups/community events.

We offer flexibility in working hours to suit you and your child's needs rather than set session times.

Your child will receive individual attention and care as we progress them through the EYFS curriculum - child led play as well as structured activities will encourage them to grow and learn at their own pace, focusing on each child's individual needs.



Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. We all hold Paediatric First Aid certificates.

Our Tuesday 'Little Bunnies' toddler sessions are now closed but we look forward to welcoming children (0-5yrs) with their parents/carers on our Thursday morning sessions as usual (term time only—9.45 - 11.15 am in the Octagon, £1.50 for one child under one, £2.50 for one child over one and £3.50 for 2 or more children) - here we offer a wide range of activities, singing and lots more!

Some of our Childminders are now registered to offer **Government Funded places for children aged 3 & 4 years old, 15-30 hours per week - 'Universal' and 'Extended',** (+ qualifying 2 year olds). The Funded hours each week can be shared between a Childminder and your child's Pre-school and/or Nursery. Below is a list of our Childminders – those who offer Government Funding have a letter 'F' before their name:

— MAY BULLETIN —
CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

Could you be our next Community Champion?

We're looking for volunteers to join our team of community champions across Cambridgeshire and Peterborough.

As part of their voluntary activities, community champions support and participate in local initiatives and campaigns, helping to spread the word to local communities about keeping safe. They make a huge contribution to the Service and help work towards the vision for a safe community where there are no preventable deaths or injuries in fires or other emergencies.

Champions cover everything from fire safety in the home, to road and water safety, including:

- **Attending local events** – representing CFRS at events, such as school fetes, school presentations and community festivals.
- **Community fire station open days** – helping out at events and sharing safety advice.
- **Fire station car washes** – helping out and sharing safety advice.
- **Community fire safety campaigns** – targeted activities to coincide with safety themes, such as electrical appliance safety and cooking safety.
- **Taking part in large-scale joint training exercises** – volunteers can act as injured casualties/concerned bystanders, helping to make training scenarios as realistic as possible.
- **Community consultation** – taking part in focus groups during consultation with communities.

Community champions receive training as part of the role to help develop their skills. The opportunity also gives volunteers the opportunity to enhance their CVs, make new friends and improve their knowledge of the work undertaken by CFRS. No previous qualifications or specific skills are needed to become a community champion and CFRS is always seeking people from diverse backgrounds.

It's a rewarding role, and one that you can give as much or as little time as you can.

If you would like to find out more about the role of a community champion visit www.cambsfire.gov.uk.

For more information log on to www.cambsfire.gov.uk, follow us on social media or call **01480 444500**.

EVER CONSIDERED VOLUNTEERING?

Do you have 2-3 hours to spare once a week?

At Cambridge University Hospital (Addenbrooke's and the Rosie) volunteering is a long-established part of hospital life. With a variety of different roles on offer there is bound to be something that suits you, all of them help improve the experience of our patients.

Some of the many benefits of becoming a volunteer with us include:

- A great way to meet people
- An opportunity to help those in need without requiring any specific skills. All our volunteers have patient facing roles and training is given.
- Ongoing support through mentoring, training, forums, newsletters and social functions
- A great way to keep fit (we have roles to suit different levels of fitness)
- Use of the on-site sports and leisure centre at staff rates (including large swimming pool) and other benefits.

Find out more on our website https://www.volunteering.cuh.org.uk/ or give us a call. We would love to hear from you.

— COUNTY COUNCILLOR'S REPORT —

The Council is keen to improve access to its meetings for residents of all parts of the county and, demonstrating this commitment, Children & Young People committee held its most recent meeting in the town of March. One of the things discussed was the recent Ofsted inspection of the Council's children's services. The unannounced inspection in January gave the Council an overall rating of 'requiring improvement' but this was mitigated by Inspectors' assessment that the impact of the services' senior leaders is good. They also acknowledged that the Council had itself already identified the same areas for improvement as Inspectors did and that steps had already been taken to improve through further investment in the change programme and to boost staffing levels. 'Requiring improvement' Councils were given an opportunity to apply for a share of £87m of Department for Education funding and it was recently announced that Cambridgeshire County Council's bid has been successful. As a 'trailblazing authority' the Council will play a national role in supporting Government's nationwide roll out of Family Safeguarding, an innovative approach aimed at improving outcomes for vulnerable children and young people.
The recent demonstrations by school children during school time have provoked both support and criticism. I fall into the support group as I believe that learning can happen in places other than the classroom and, listening to some of the young speakers outside the Guild Hall was evidence that we are, despite the financial challenges, educating a fine new generation. The Council is certainly trying to do its bit and has recently approved a Plastics Strategy. It has for some time been directing some of its investments into sustainable technology.
Concerns have been raised about public access rights to the mound and civil earthworks when the Council sells the leasehold to its 6 acre site at Shire Hall. The Council has sought to reassure residents that the importance of these ancient monuments is fully recognised and that all bids for the leasehold must clearly show how any proposal for the site's future use will provide enhancement of both access to, and the public experience of these historic features.
Thank you to all of you who have been in touch recently. Please do continue to contact me with your views and questions on the issues that are important to you.

— VILLAGE HALL —

01954 782892

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines e.g. children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on **01954 782892** to book an informal visit or for an application form.

STRENGTH AND BALANCE M.O.T.S CAN KEEP YOU DOING THE THINGS YOU ENJOY

The campaign encourages local older people to have a Stronger for Longer MOT to help keep them fit, active and independent. With the help of a qualified instructor, a person will learn about their level of fitness to do everyday activities and find out what simple strength and balance exercises they could do at home or at recommended classes in the community. The MOTs will be running throughout May across the county. In South Cambridgeshire the MOTs taking place are:

- Thursday 9th May 10am–12noon
  Kay Hitch Way Communal Room, Histon
- Wednesday 15th May 2—4pm
  Orchard Close Communal Room, Girton
- Thursday 16th May 10am–12noon
  Blythe Way Communal Room, Gamlingay

For more information on the MOTs go to www.cambridgeshire.gov.uk/strongerforlonger.

Since the launch of the Stronger for Longer campaign back in October, over 100 new people have joined strength and balance classes around the county and are now stronger and steadier. Over 2,300 people have also downloaded our Supersix leaflet, which is helping people to do strength and balance exercises at home at least twice a week.

The nearest strength and balance classes in the district are run by Forever Active. For more information go to http://www.forever-active.org.uk/ .

The Stronger for Longer campaign involves a range of partners, including Cambridgeshire County Council, Let's Get Moving Cambridgeshire funded by Cambridgeshire County Council Health Committee, District Councils, local NHS, Living Sport and Forever Active.

— DISTRICT COUNCILLOR NOTES —

Community Chest Funding

Village groups and local good causes across South Cambridgeshire can now bid for a share of almost £60,000 from the District Council's popular Community Chest scheme, which targets funds at local grass-roots projects that benefit those residents most in need. Groups who want to apply for up to £1,000 are being encouraged to do so now. Half of the funding is available now and the remaining half will be made available in October.

The guidance for the Community Chest states that applicants must be non-profit groups or organisations based in South Cambridgeshire, or benefiting the district's residents. This could include funding improvements to community buildings, land or spaces, repairs to historic buildings, monuments or memorials, the purchase of equipment, materials or start-up costs.

Fly Tipping

What appeared to be a full articulated lorry-load of waste – estimated 30 tonnes – was recently dumped on private land near Fulbourn, prompting local Environment Enforcement Officers to share concerns about the number of large fly tips reported recently and to urge everyone to be "Waste Aware".

The Council believes fly tips of this size are likely to be commercial operations, with contractors who are hired to dispose of the rubbish instead dumping the load on private land.

Illegally dumping this amount of waste is likely to save commercial operators around £1,300 but, by passing on the bill to gather, clear and legally dispose of the waste, this will cost private land owners or councils considerably more.

When fly tipping does occur, Environment Enforcement Officers will always attend and examine reported fly tips of any nature. Any sightings of fly tipping should be reported as soon as possible via the Council's website: www.scambs.gov.uk/report-it/. I recommend that residents do check that operators collecting rubbish are properly registered waste carriers.

Refugee Families to be offered homes in South Cambs

Up to five refugee families who have fled war-torn countries are to be offered homes in South Cambridgeshire within the next year, the District Council has confirmed.

At a Cabinet meeting on 3 April Councillors confirmed a commitment to offer a genuine humanitarian response to families requiring urgent medical treatment, who are survivors of violence and torture and include women and children. This will include families who have been forced from their homes in Syria, Iran or Sudan.

— OVER DAY CENTRE — VACANCY FOR NEW TRUSTEE

Over Day Centre is a registered charity that provides professional care, catering to individual needs, in an environment that is friendly, engaging and health and safety conscious. Established in 1989, we have many years of experience in the care sector and now serve a much larger South Cambridgeshire population than just the village of Over.

We support our clients in their desire to maintain social interaction and to stay as independent and active as possible. Our services also provide much needed support and/or respite for carers and families.

Over Day Centre is looking for a new trustee to join the forward-looking board, with an interest in enhancing facilities and services for the elderly. While some experience of governance would be an advantage, we are looking for a new team member able to contribute to overseeing and leading on the development of the Centre. Some experience in human resource management would be a plus – but this is not a pre-requisite.

The Centre has a strong band of volunteers, who help in a wide range of ways, and is strong financially. It organises a wide range of events both to benefit clients and to develop links with local businesses and organisations.

For more information please contact the Day Centre by phone **01954 231807** or email admin@overdaycentre.co.uk and our Chairman, Steve Couper, will get back you.
